

Construction Specifications Canada Grand Valley Chapter

Meeting Notice – Lunch Seminar Stainless 101: Specifying Stainless Steel with guest speaker Scott Haddy, CFF Stainless Steels Inc.

Seminar Overview

This presentation is intended to be an overall general introduction to stainless steels - hence the title "Stainless 101". It addresses the following topics at a high level:

- Myths & truths about the product
- Brief history
- Definition of stainless
- Chemistry (key elements)
- Mechanical properties
- Contents of mill test certificates
- Major stainless groups
- 300 series stainless (the common class of stainless)
- Finishes
- Corrosion
- Selection factors

About the Presenter

Scott graduated from University of Toronto with a B.Sc. (honours) in Health Sciences/Nuclear Physics and McMaster University - Engineering Department with a Metallurgy of Steel & Iron Certificate. He has been in the metals industry for nearly 40 years, during which time he progressed through Stelco Inc. ranks holding management positions in Cold Rolled Sheet, Tin Mill Products, Prefinished Sheet & Galvanized. He subsequently joined Continuous ColourCoat Inc. as VP of Sales as well as Regional Sales Manager - Coldmatic (now Kingspan).

Currently, Scott is responsible for all Canadian operations at CFF Stainless Steels Inc. as well as Business Development. In this capacity, He is responsible for all aspects of OPS (personnel, equipment, quality, production, H&S, transportation), as well as technical training & support (internally & externally) and corporate legal matters.
