Meeting Notice – Lunch Workshop

“How to Win Friends and Influence People”

with guest presenter Victor Bernardo, C.S.C.M.P.

Seminar Overview

Success Magazine just listed, as recently as January 2018, “How to Win Friends and Influence People” as their number #1 pick for the most influential Business Book! How has one book stood the test of time and considered the guidebook for business relationships and secrets to success, even in our Digital World?

In this fast-paced 90 minutes workshop, Victor Bernardo, Performance Consultant from Dale Carnegie, will highlight some of principles from this book, and deepen your understanding of how they play out in our modern world. You'll leave inspired to reenergize your business and personal relationships, and find your online interactions more profitable in satisfaction and in real money!

Also, participants will receive a copy of **The Golden Book**, a treasured collection of the principles from Dale Carnegie's books.
